## **GMP basic training for a site located at Kalwe: India – Navi Mumbai area at Sandoz International GmbH**

Dear Mrs Montaner,

we herewith confirm, that Dr. Klaus von Jan as the owner of CRS Compliance & Regulatory Services, has executed the GMP training for Sandoz on site in Kalwe between January 5th 2016 and January 8th 2016 on behalf of PTS Pharma Training Service. We further confirm that PTS and CRS do have a long term cooperation in place since 2004.

### Training concept

GMP basic training to be conducted face to face at the manufacturing site located at Kalwe (India-Mumbai area). This site manufactures only solid dosage products (tablets, capsules) and has more than 1000 associates. The training should be done in English to cover potentially 300 people.

### ISO 9001

PTS has the certificate of approval for scheduling and execution of trainings and inhouse-trainings. The approval is enclosed.

If there are any further questions left, please do not hesitate to contact me again.
